SUBJECT: ARGENTINE GOVERNOR TO VISIT FORMER VICE PRESIDENT GORE IN
TENNESSEE

(SBU) During Ambassador Wayne's recent trip to San Luis province (septel), San Luis Governor Alberto Rodriguez Saa advised the Ambassador that he was planning to visit former Vice President Al Gore in Tennessee to discuss his Foundation's potential support to the province's environmental programs. The Governor said he was still confirming the details of the trip, which is tentatively scheduled for December 3 or 4. The president of San Luis's public "University of La Punta," Alicia Banuelos, whom the Ambassador met on November 24 at the university, advised the Embassy that she would be accompanying the Governor. She said there could be additional delegation members. Post is in contact with the University to obtain more information on the areas of cooperation desired.
